	OLSON POOL CLOSING @ 8:00p						

## AQUA FITNESS CLASSES

**Aquacise** - A moderate aerobic workout in shallow water that includes a strength training segment.

**Aqua Zumba** - Zumba dance and aqua fitness together in a challenging, water based workout that includes cardio conditioning & body toning.

**Hydro Power** - A deep water class that raises the heart rate and works all major muscle groups.

**Aqua Joints** - This class offers traditional range of motion exercises at a slower pace.

**Water Walking** - This is a very basic, low-impact, light intensity workout using the natural resistance of the water to strengthen the core, increase balance, coordination and flexibility.

**Aqua Combo** - This class uses water resistance for a total body workout focusing on cardio and strength exercises to help with overall well-being.

**Aqua Yoga** - Aqua yoga is a low-impact aquatic exercise, performing yoga poses in water. These poses help develop strength, static balance, and increases range of motion with little to no impact on joints, especially knees, hips, and ankles. No yoga experience is necessary.

**Aqua Flow** - This class incorporates elements of Barre, Yoga, Functional Training, Strength & Cardio. This energizing workout benefits anyone who may experience hip tightness, lower back and joint pain or inflammation.
